

Small but mighty

(Zechariah 4:10)

CHORUS

Small things, small things
Don't despise small things
New beginnings, tiny gifts
Be so thankful what God brings
Pray, pray, pray, pray
Let the children pray
Stop street living, stop street fear
Shine out love, so smiles appear

VERSE 1

Please pray for those who cannot see
And pray for those who cannot hear
Please pray for those who cannot speak
And pray for those who run in fear
So pray for those who cannot see
And pray for those who cannot hear
Please pray for those who cannot run
And pray for those who disappear

CHORUS

VERSE 2

Please give now for clean water
Let blessing flow in golden streams
To buy the books for schools with none
So children grow to have their dreams
We lift our hands to God we call
For no more beatings no more drugs
Look see God's eyes are full of tears
May fights and anger turn to hugs

CODA

Pray pray, pray pray
Let all children pray
New beginnings, tiny gifts
Let Jesus bless each child
